Many thanks to Mark Ridge and Tim Taylor for all the hard work involved in creating new sections from scratch, I think we all agree that we have found a super piece of ground for running trials, and the weather was so kind to us allowing all those late entries space to park, it may well be different when its pouring with rain!
A special thanks to Tim Taylor who spent many hours discussing with the landowner what is always a tricky subject, and finally coming up trumps.
Hope you all enjoyed yourselves, and hope to see you at our combine trial in April at our usual venue at Wingmore.
TOM ARTER, trials secretary
